The Premises:

Dollymopp's is a clean, warm place 10 minutes walk from London Bridge, in a quiet side street. A good area, I felt perfectly safe.

The Lady:

Dolly is beautiful, with striking features, clear white skin, black hair, and kissable lips. Oh, I nearly forgot to mention her lovely breasts with sensitive nipples.

The Story:

This was the real lover experience of a lifetime; Dolly has me hooked! One of the best things about her is the care she takes in looking after you. I had mentioned that it was my birthday, and although I had not met her previously, she had prepared a cake with candles!
