The Lady:

Pretty much as her agency photos (which annoyingly blur her face) and facially attractive; you'd be quite happy being seen in her company. Young, slim, sexy - bottle blonde with delightful fresh smooth skin.

The Story:

Efficient but therefore artificial - limited time so she got straight to unbuttoning my shirt without that valuable time getting to know each other a little. She could only do 1 hr (I wanted 2 hrs, which I find so much better) so it was all a bit too hurried. Bright and witty, delightful body but not keen on getting oil on herself (which I particularly like). E European but with excellent English. A good GFE and she kisses pleasingly. She's certainly a bright girl and a pleasant personality so it's possible that if we'd had 2 hrs I'd have a different view - for me she was good but at that price not good enough to be worth seeing again.
