The Premises:

Very elegant apartment, modern and clean, nicely done out, candles, incense very exotically decorated.

The Lady:

Absolutely stunning, Tall, Blonde, fantastic body, she clearly takes good care of herself. She is better than the pics, they don't show the true intensity of her eyes.

The Story:

Well I have just come away from Venus' pleasure sanctuary and all I can say to sum it all up is, Wow! Simply wow!

Venus was so attentive and calming and soon made me feel at perfect ease. The mood and ambience just made me feel so so comfortable. This was one of the most erotic experiences ever and she really did worship my body! I reckon she really likes me! ;) Joking!! Of course.

Had a really amazing time, it was to short, next time I will have longer and there will be a next time with this lady for sure. It was Very intimate.... realllly sensual lady. So beautiful, the pictures do not do her justice.
