The Premises:

Block of private flats in Bromley South. Nice residential area. Felt very safe, although was left standing outside for a bit as the bell didn't work.

The Lady:

Probably over 30 Thai lady - probably about 5'2" with nice figure.

The Story:

Was worth the money. She was eager to please although kept up a running commentary of the sort of Suzy Wong type stuff - come on big boy, you very nice etc etc. which could have been boring. She was at heart a darling and very obliging. I tried to give her a massage but she giggled too much, so I went into RO which she enjoyed and told me she'd come. She then wanked me and played with my bum, before sex in doggy and finished in mish.

It was a pleasant meeting, and I felt all the better for it - an ego boosting experience. I would recommend.
