The Premises:

Situated in a private block of flats near to Acton Town tube. Felt very safe, and the flat had a nice bathroom and shower with hot water and clean towels and a good bedroom.

The Lady:

Probably 5'8" in heels so maybe 5'6" tall with long dark hair and a stunning figure with beautiful breasts and a gorgeous bum. She is Polish but looks slightly Irish with her dark hair. She has a bit of a cheeky grin and slightly protruding teeth. She's pretty good looking in my book. She's a bit of a chatterbox if you let her, and she smokes.

The Story:

I had been to see her before, but because I hadn't been able to fuck her due to the prems, I decided to have another shot.

Started by putting her over my knee and gave her good spanking on her lovely bum. Following this I asked her to lie face down and using my fingers I made her come. I followed this with a bit of reverse oral which I know she enjoyed, and then after covered oral (my choice) we had sex in doggy before coming big time in mish.

I had meant to continue, but as I was running short of my time, I decided to curtail it after about 40 minutes. Cherry is very good company, and I will return.
