The Premises:

Lovely private house on a cul-de-sac no prying neighbours. Nice ground level bedroom fit for purpose.

The Lady:

Late Forties lady who just oozes sex from the time she greets you with a kiss on the cheek to the moment she reluctantly lets you go. Photos on her site are accurate and she says she loves her job - no reason to doubt that!

The Story:

Sally has been in this business for a number of years and still enjoys it - well for this money she's not in it for the wages! She's a milf - girl next door that does things your wife wouldn't. She met me with a kiss at the door showed me through to her private room downstairs and the fun began with uncovered oral which wasn't rushed and it was me who called time as she was getting me close! On with the rubber and time for some cowgirl which combined with a little sexy talk was all too much for me! I came hard. She's not a slip of a girl and has a great personality - I will be back!
