Lovely pretty little girl say about 5'4 ,nice pert breasts and cute little ass. Body wise perfect .

The Story:

Megan is a joy to be with very chatty and friendly . Started with great teasing massage . fingers going between my legs and touching all the right places. Then turned over for more teasing ,had my cock twitching already. On with the cover for some oral had to stop her as she was getting me so excited . Then sex with her on top then finally good old fashioned missionary with her legs wrapped round my waist. She works tuesdays and thursdays . Treat her well she deserves it .
