The Lady:

Stunningly attired in a white bra, knickers, hold up stockings and hi-heeled shoes. Smooth natural tanned skin, gorgeous eyes & fabulous boobs with very pert nipples. I have seen Angel before and she is very friendly, has a fun personality is very sexy, very eager to please and DFK with real passion.

The Story:

Started standing with our arms wrapped around each other and very sensuous DFKissing before Angel kneeling on the bed, eased down my boxer shorts and took me deeply into her mouth to get things started and very nice too! I undid and removed her bra and sucked on her wonderful nipples, before laying her down for an extended tongue exploration of her tasty pussy, becoming very wet in the process. And from here on our session once again just flowed into more mutual oral, 69 with me on top, face sitting, 69 with Angel on top, Angel sucking me, me licking her pussy, rubbing my cock against Angels wet pussy lips and clit in mish and then with her legs on my shoulders, doggy and reverse mish and all intermixed with much sensuous and horny DFKissing, fondling and fingering. Adding to all of this rampant horny action was Angel's vibrator which she used on us both with such skill. More cuddling, fondling and great DFKissing before on with a condom and Angel straddling me for a great cowgirl sex session and a sight to behold first with Angle leaning back and then forward with very sexy DFKissing. More 69 action followed by Angel taking me in her mouth and with some very sexy eye to eye contact I realized that Angel wasn't going to stop until I had filled her mouth. Using her mouth and hand and her vibrator with plenty of variation in speed and technique it was ecstasy all the way. And when Angel gripped my shaft with her hand holding the vibrator against my shaft and balls and just using her mouth taking me as deep as she could I just had to explode, and explode I did! If Angel wasn't on top of me I would have hit the ceiling where my orgasm was so long and intense.

Ultimate ecstasy!

Did Angel stop? No she didn't but held this position for a while and had me writhing in pure pleasure before sliding along my body, and then with our lips together passing my cum into my mouth for me to swallow and followed by DFKissing with Angel still on top of me. A quick breather and drink and I'm returning the favour with Angel the bed on her back and me kneeling on the floor between her legs with my hands fondling her erect nipples I start exploring her pussy again with my tongue. With Angels stocking tops against the side of my face and her legs sliding over my back I'm in one of my favourite RO positions, suddenly Angel grips my head and holds my mouth firmly against her pussy as she comes once again, and continuing to hold me in this position for a while until she is ready to let go! Wow!!

We lay back on the bed, DFK, cuddle then take a quick shower and chat for a little while until it's time to go.

Thanks Angel for another fantastic all action rampant 2+ hours of horny sensuous sex.
