The Premises:

In a private block of apartments - modern and fine

The Lady:

Slim, pretty young woman with lustrous hair and an olive tone to her skin. Good English and a friendly and intelligent woman.

Her body is slim and shapely with small sweet breasts and a lovely bottom.

The Story:

Charlott suggested a half hour rather than full hour as she wasn't feeling brilliant.

We were tentative with each other initially but things warmed up as we found each other trustworthy and friendly and that fed into the sexual relationship.

Some stroking and chat moved onto sex and Charlott became fully involved as we kept going for a good long time.

Not sure she came but close if not and then hand relief to finish me off.

By the end we were laughing and joking together and any future meet would have a good platform to develop from.
