The Lady:

Tall, 5ft 10, stunning face, far more beautiful than her photos.

Her smile is to die for. Great long legs and very firm natural breasts.

Her long blond hair is so soft.

The Story:

Her nature is sweet and she understands her role clearly is to make me feel good.

She is probably the prettiest girl I've ever visited in Coventry. In London she would make a packet. She's here till the end of July then moving on. If you are visiting Coventry then see this girl... she will not rip you off. Mention this report if you see her.... she's keen to know if men will inquire about her service from reading this report on punternet. At the moment you can see her pics online...
