The Premises:

Clean tidy as ever. More mirrors in the room would be nice but not essential

The Lady:

Cute Thai package - I have visited Mei many times. Her boobs are a little too small for perfection, but she is slim, shapely and with fabulous legs that look just great in stockings, suspenders and fuck-me heels.

The Story:

One of the most reliable little fuck-bunnies in the country. I'm hard from the moment she enters the room and by the time she's clipped her stockings to her suspender belt I am helpless to do anything but get my cock into her mouth and/or pussy as soon as possible to seek sweet relief! Mei always looks like she's enjoying the action, and, while I know she's there for my pleasure, really, it does enhance the experience. It's hard to last 30 minutes with a body this tempting at my disposal, and, as usual, within twenty I'm emptying myself into Mei, her long, stockinged legs pointing her spike heels at the ceiling. Lighter by a few ounces, and psychologically lighter through the sheer relief this fantastic woman provides to my stressed out body, I am ready to face the ongoing tensions of the day. One thing's for sure - I'll be back.
