The Lady:

Very thin, busty (man made but well made!) 19 year old with very cute face and beautiful ass. Spanish with excellent English.

The Story:

She arrived at my hotel room about 90 minutes after a call to the agency. She apparently does have her own apartment in the city centre for those seeking incall. A little business like but great Bbbj. She wasn't going for Cim. That's usually my preference but after covering she got on top and the sight (and feeling) of this cute, very young girl in motion brought me to an explosive climax.
