The Premises:

Chloe was on tour, so I met at her hotel close to euston station. Very easy to find, and very discrete to enter.

The Lady:

Chloe has a body to die for. Gorgeous boobs, dressed in a beautiful blue basque with stockings and high heels. Lovely friendly smile and greeted by a delicious snog at the door.

The Story:

From our greeting snog we moved swiftly to the bed to carry on kissing. As Chloe reached for my very hard cock I started to play with her nipples and boy are they sensitive, becoming very hard very quickly. As I sucked my hand slipped between Chloe's legs and finding her soaking my finger touching her clit made her cum straight away squirting over my fingers. We moved swiftly to a 69, and can Chloe suck. She is very very good and had me cumming as she squirted in my mouth. After catching our breath a little we carried on making out.....Chloe adores her nipples being gently sucked whilst her pussy is slowly fingered and she must have squirted over me four of five times before she reached for a condom for my hard cock first Chloe rode me, then a session of doggy before the finale of me on top, her legs wrapped around my arse as we fucked each other hard for our final cum. There is no clock watching with this lady she is pure delight.
