The Premises:

A clean, well presented house in a quiet street with ample private parking in a village just outside Gravesend & close to the A2.

The Lady:

An elegant, mature lady late 50s, busty and shapely with 34DD, long blonde hair, and blue eyes. She was dressed in basque, stockings & high heels and looked very classy.

The Story:

Beverlyn gave a nice relaxing massage with her hands which then led onto her lightly rubbing her breasts along my body. This had the desired effect, and she put on the condom & rode me with her lovely breasts in reach for play with hands and mouth. Once I came we had a nice conversation, then when ready again she gave hand & breast relief with me finishing on her breasts. In the main a good punt but I was disappointed that no oral was offered or given.

Despite the fact that she was pretty, had a good personality and is a classic "older lady", this was enough for me not to go back. However if oral isn't your thing then highly recommended.
