The Premises:

Really nice detached house in a respectable neighbourhood. Parked car on adjacent street and walked about 1 min to her house.

The Lady:

Julie oozes sex appeal . Short black hair ,Piercing Blue eyes, nice boobs , great legs and an amazing bum.

The Story:

Julie opened the door in short black dress and nice tight top which showed of her cleavage legs to perfection. Had my hard just watching her go upstairs.

She had me naked on bed and stripped down to a sexy black thong and bra.

Then i was given what i would say was the best wank i ever had more like a cock massage with plenty of lube . i had stop her 3 times cause i was that excited. But there was more to come , she put my cock in her mouth and maintained eye contact with me whilst she sucked on it . Fabulous.

Then the highlight of the half hour, thong came off and had some of the best sex i ever had . This girl has got plenty of talents but man can she fuck . I couldn't last long but all i can say is wow.

Julie says she loves sex and it shows. Half hour is not enough with this girl . Gonna save up and go for the full hour next time.
