Very safe area close to City. Door entry system into flats. No problems with entering or leaving. The system is you deal with Helga at Vintage Vamps on phone right up to the time you use the door. This is for Bellas safety as well as yours.

### The Lady:

Bella is in her 70's but has a lovely buxom figure for her age. She is shaved down below and has ample boobs to play with

### The Story:

This was a lovely lady with a charming and warm personality. I have wanted to make this visit for some time having being recommended by a friend. Do not be put off by age as Bella is a total turn on and knows how to have fun and be incredibly naughty. A lovely hour spent ending happily.
