The Premises:

Large decent flat in a mansion block, shared with another girl. Convenient for the tube. Shower a bit temperamental

The Lady:

Very VERY pretty 20 y.o. slim blonde girl with tanned skin. Photos are accurate but unflattering - definitely better in real life.

The Story:

Another red hot Romanian late teen girl. Not hugely responsive though there was the odd moment when I thought I was making progress. Free of fakey moaning which is a blessing. We didn't quite hit it off but, hey, as they say - personality isn't everything
