The Premises:

Standard shared flat above shops on the high street. A good area and although the entrance is on the main street, there's no reason to feel exposed (unless you live next door). Flat was fine.

The Lady:

Amanda is facially very attractive and has a good bod. Natural boobs and completely shaven. She has a couple of tattoos.

Amanda is a real university student that works the summer holidays. Although she's from overseas, her english is word perfect and she makes sophisticated and witty conversation. Cool girl.

The Story:

Excellent punt. She's a genuine indie, even though she rents a room. The punt is all made by Amanda's excellent attitude, personality and skills. Unlike many, she engages immediately and really makes things happen.

On this occasion, she undressed me, did some licking and kissing, before moving to the bed and handing out first class OWO ending in CIM. We then had a loooong talk, which in all my years of punting have never done, but this girl is genuinely interesting and funny. After that, I asked her to play with herself, and she positioned herself to give me OWO again, which ended in a second CIM. After that, she was still friendly and chatty. She's one of those that you wish you could meet socially, and not just for her looks.
