The Story:

Helen is a great kisser and offers fantastic GFE sex, but if you are looking for something different she really enjoys spicing up the event, and it shows.

We started with some light dom, I was tied with bum in the air, and got some light slaps and a vibrating buttplug. I tried her nipple clamps, but that was a bridge too far for me! Finally, Helen rolled me over and gave me a great BJ, with CIM that left me trembling from head to toe.

A fantastic experience, definitely to be repeated, but next time I will take the full hour!
