The Premises:

A few minutes from Earls Court tube , Warwick Road side of the tube. A basement flat on the main road.

The Lady:

Ria looked gorgeous in high boots and PVC hotpants. Beautiful face and a great figure .. long legs and a great rear. It's hard to place her exotic looks but no doubting she is British , with a well spoken voice.

The Story:

She offered me a half hour of tie and tease on her stand up rack with relief depending on how well I took her teasing and how hard I could get ,the harder the more substancial my reward. Ria certainly knows how to turn her clients on big time. it was shear bliss been bought close and closer and not controlling any of it . Definatly a beautiful mistress of her art.
