The Story:

For me this was an adventure into the unknown. How can you know what you don't know? I let Crystal decide how she was going to pleasure me which she did extremely well. I enjoyed every minute of it. I'm not going to go into detail as that would spoil the fun for you. The only thing I will say is that I want more!!! Crystal is not only a very sexy lady she is a lovely person who is very good at what she does. She is creative, imaginative and uses her body and mind to give you a satisfying and enjoyable experience. Treat her well and I've no doubt she will treat you well too.
