The Premises:

The flat is located on a street close to Earls Court tube station. It is very discreet and clean inside, although cramped for space.

There is a shower facility if required.

The Lady:

Venus is a French/Spanish speaking, blk girl with lovely 32D boobs.

The Story:

I paid for a body to massage and hand relief. The massage was light and sensual and it relaxed me and got me in the right mood for the finale. The relief was delivered nice and slow and I had ample time to play with Venus's lovely caramel coloured boobs.
