The Story:

Web site said ws cim 69 which is what I requested on booking. I waited outside rang for room number, agency said they would ring me back - they didnt - I rang again for number.

On entry cash requested straight away and handed over than told dont touch my breasts, I dont kiss. Do you want to start with a massage. I said Im only here for 30 mins lets get started. Tutted through bj/hj I asked for 69 told dont do that. I said its on profile told profoles wrong (warning all girls have very similar profile)

I finished my self got dressed and left. As I was waiting for the lift she opened room door and shouted at me "you ignorant bastard"

I rang the agency to complain they blocked my phone.
