The Premises:

Situated in a safe area on the outskirts of Worcester. Nice clean house with a welcoming homely atmosphere. Eve is an artist, so slightly bohemian in a nice way!

The Lady:

Eve is drop dead gorgeous - very pretty with a figure to die for. The pictures on the website give you an idea of how attractive she is, but she is far more alluring in the flesh.....She is fit, with a wonderful curvy natural bust. Her website says she is 31 - she looks much younger.

The Story:

Eve is a stunning lady who certainly knows how to entertain a man in the bedroom...Eve is very friendly and seductive - I had a really amazing time. If you are looking for a shag with a boring bimbo, then don't bother to visit Eve, but if you want to spend some quality time with an extremely attractive sexy, intelligent young lady who genuinely enjoys giving and receiving pleasure, don't hesitate to spend some time with her, but treat her with respect - she is in a league all of her own. I will look forward to seeing her again.....
