The Story:

This was a fortuitous one, to say the least. I had known, and had the pleasure of, Mercedes several years ago, when she worked at Blue Ice, then - for a short time - at The Studio, using the name Yasmin. Recently, as I walked through the centre of Brum, she recognised me, gave me her 'phone number, and this was the outcome. She has taken a course in massage, and now specialises in this (her flat contains a proper massage table, no less).

I had the Naturist Sensual Body Massage (also ?40 for 30 mins., ?80 for 90 mins); and she is just about to start, at rather higher prices, Japanese Nuru Gel Massage. This was a really relaxing experience (candles in the room, soft sounds playing, etc.), and finished with a very "happy" ending! She tells me that some friends of hers, competely new to the scene, will be joining her soon. I, for one, am looking forward to making their acquaintance.

A different sort of experience, but one well worth trying, IMHO.
