The Story:

This was my third visit to Helen in a number of weeks and this time I paid for a two hour stay. I had asked her to be dressed as a schoolgirl and I was not disappointed. I waited in her lounge and she quickly called mkangels. We then joined each other on the sofa for some DFK and caressing. Very soon the clothing for both of us was off and we retired to the bedroom. from here not only did the conversation flow but we also took part in lots of DFK, spitting,anal licking, RO, and fucking.

Over an hour in and we retired to the bathroom for some ws. Helen climbed on the bath, legs on either side and proceeded to piss on my head, chest and cock. Unfortunately this time I was unable to reply but I promise I will in the future.

We then returned once again to the bedroom. Helen put on a glove and proceeded to give my a prostrate massage. I wasn't long before I found myself cumming on her breasts not bad as I had come on her two days previously.

Overall I must say a wonderful girl, both a pleasure to communicate with and great with any sex acts she cares to perform.

Treat this girl well. She is worth it
