The Story:

After getting lost I finally arrived at Holly's 15 minutes late. Whilst I had phoned her to forwarn her, I was nervous as to what kind of reception I would get. I would have perfectly understood if she had told me that I needed to pay the full fee but only stay for 45 minutes. It was after all entirely my fault! But no - Holly was really understanding and put me at complete ease. The next hour was a real joy with lots of french kissing and fun. I really connected with Holly and found her to be lovely and chatty. A real girlfriend experience. Highly recommended. There are a few girls that are really aweful. There are a lot of girls that are okay. There are a few girls that are special. Holly was special.
