The Premises:

Perfect Location short walk from West Kensington Station/Kensington Olympia. Very discreet while also being on a main road. Decent area. The place is a small house, where downstairs is the chill-out part of the party, including sofas, TV etc. Upstairs is where all the action is: a few bedrooms with open doors.

The Lady:

Three lovely ladies: Carmen, experienced, stunning, sexy as hell and lovely nipples! April - petite but curvy in all the right places, and Paola, another sexy girl!

The Story:

Arrived just after 1pm and was greeted by the party organiser, and made to feel instantly welcome. It wasn't long before I was on a bed with Carmen rubbing her lovely tits all over my naked body while April sucked my cock (with condom). This was heaven! Then Carmen asked who I wanted to fuck first. Without further ado, April was riding my hard cock while I caressed her tits, then I did her doggy and then missionary. Carmen left us briefly and then April offered to bring me off with her hand. Carmen decided to take over but sucked my cock eagerly (no condom) all the while talking dirty. I then wanted to fuck her lovely pussy which I did for a while but knowing other guys were waiting she decided to wank me off while fingering my arsehole.

That was worth the entrance price alone. I was glad I got there early as there were then a total of 7 guys. all had a chance with one of the girls and unfortunately I had to leave before I had time to spend with Paulo.

I will definitely be back for more! Well done to Pam and the team!
