The Lady:

Pictures on website are accurate, but Angel is far better in the flesh, actually she is A-Mazing in the flesh. Petite, slim, blonde with curves. Toned body and sensual hands!

The Story:

My first visit to Angel and certainly not my last :-)

Very relaxed young lass who truly has a heavenly touch. She is the one to discover, great massage all over with both of us nude. Played attention to teh right zones, but the naked body rub was truly special. Then the words "turn over" heightened the massage and again the naked rub was a true treat. The eventual climax, as Angel does not rush was not only special but so memorable, that in 20 years of punting, I cannot recall such a depth of orgasm.

Sweet, sexy and sensual.....need you seek more!

Thank you Angel and see you and your A-Mazing skills soon!
