The Story:

Anita is an absolutely stunning young lady! She has beautiful long black hair down to her waist. A slim girl, but with perfect curves (tits and arse). Anita let me in looking hot! A sweet, polite and very soft spoken girl but don't let that fool you, she is still a sexy beast! We started with her bent down in front of me with my balls in her hands and her sucking my very hard cock. Lots of sexy eye contact, she has beautiful eyes. Various positions were not a problem for her and she was very enthusiastic. I asked her to bring toys in with her, so out came the vibrator which I used on her and she seemed to love it sliding in and out of her pussy. Finished with her at the end of the bed with her legs wide open, great way to finish. A lovely relaxing massage and a chat at the end. A tremendous 2 hours. I would definitely recommend this beauty, she was worth every penny.
