The Premises:

Mistress rents this small house with a fabulous stone walled dungeon full of the best equipment I have seen in a long time. The upstairs playroom leaves a little to be desired in terms of cleanliness.

Parking is quite safe and the entrance is fairly discreet. I certainly felt very safe.

The Lady:

Mistress is 5ft-9ins in her wonderfully pointed stiletto's. I would guess a size 12 with beautiful blonde hair. The contrast with her scarlet lipstick is a turn on.

The Story:

The web site describes exactly what floats Mistress's boat and if it floats your boat too you will enjoy yourself.

I was tied to a cross and blindfolded while Mistress teased me. Then over a whipping bench for some punishment.

Upstairs in the playroom I was tied to the bed for further teasing and some pressure from her crushing thighs; the sign of an expert horsewoman.

All in all a wonderful experience. I will be back soon.
