The Premises:

A small but pleasant apartment in a new development along the Purley Way - tons of free parking within 5 minutes walk at any of the superstores. Had to go through 2 sets of entryphones to get to her front door, so felt very safe, though I know from experience that the immediate neighbourhood is not so great after dark...

The Lady:

Brooke is genuinely a size 10 - nice and curvy with a little extra padding, just how I like them :) I would say she is probably late 20s rather than the 22 claimed, but she has the most beautiful face...

The Story:

This was a great punt. I like EE girls from time to time, but being able to have a proper conversation with a true Brit like Brooke is a pleasure, especially as she has a really lovely personality.

The whole thing is much more GFE than PSE (she is a great kisser) but A is on offer (if you let her know in advance) and her OWO is deep and hard, with a CIM finish gladly offered.

Brooke is one of the rare escorts I will see again - soon hopefully :)
