The Premises:

Quiet street in residential area. Modern Maisonette, very clean and tidy, light airy surroundings.

The Lady:

Anita is an attractive mature lady. Petite without her heels she is about 5 foot tall. You can see photos on her website which are accurate. She is originally from Portugal and has an engaging accent which is merged with American where she worked for a number years.

The Story:

Anita is a very warm welcoming person, with a passionate Latin temperament. She has soft curves and lovely soft lips which she applies with most fantastic intimate kisses. A very tactile lady she is the girlfriend you always wished you had very much a lady for those who enjoy long appointments. Can be talkative but if you want to silence her just pop something into her mouth, like your tongue or something similar.

Please note Anita is a mature lady with a natural figure, so the curves are soft but terrific fun to fondle and caress.
