The Premises:

First time I've been to Head Office. On a busy road though discreet entrance at the back. Clean and tidy parlour. Comfortable double bed, shower in room and nicely decorated. Appears a friendly and safe place.

The Lady:

Gorgeous girl. Pretty face, fantastic body, all over tan, perfect legs, busty and a lovely bum. Chatty and generally seems a lovely girl.

The Story:

Kisses though not with tongues and a great cuddle. Lovely shaved pussy which if I had my way I'd still be licking now and she is certainly an expert at OWO to completion. I had a great time and I'll certainly be back for more!
