The Premises:

First time I've been to Head Office.On a busy road though discreet entrance at the back.Clean and tidy parlour.Comfortable double bed,shower in room and nicely decorated.Appears a friendly and safe place.

The Lady:

Gorgeous girl.Pretty face,fantastic body,all over tan,perfect legs,busty and a lovely bum.Chatty and generally seems a lovely girl.

The Story:

Kisses though not with tongues and a great cuddle.Lovely shaved pussy which if I had my way I'd still be licking now and she is certainly an expert at OWO to completion.I had a great time and I'll certainly be back for more!
