The Lady:

Tilly (previously known as Pippa) is a bubbly English blonde party-girl who hails from Essex (she did assure me that she was wearing her only pair of white stilettos!), her pics on the website show exactly what to expect: blonde, tanned, nubile, an enchanting little package.

I was totally blown away by her sparkling blue/green eyes which were framed to perfection by her false eyelashes. When she flashes these at you with your dick deep in her throat, it's a sight that will stay with you forever.

She's about 19/20, but for one so young she has a confident sexual repertoire, put simply she's a horny little minx!

The Story:

Although there was no kissing on offer due to her chest infection, the session was a blur of deep OWO, 69, mutual masturbation, sex in doggy, jockey, cowgirl & mish. She was very energetic and her hips were bucking and writhing in response to every stimulation.

She needed me to help her rub one out, so my fingers and tongue joined hers and went to work on her clit, pussy lips and g-spot, it was great to see such carefree sexuality as she shuddered to her first orgasm of the day.

Uninhibited, mesmerising eyes, gorgeous body, 100% recommended!
