The Story:

Had the pick of 3 girls on arrival, picked Tiffany because of her great looking tits. Into bedroom, did the transaction, stripped off and lay on stomach while she undressed and started massaging my back. Turned over and she oiled my willie and started yanking on it as if it was a bellpull. Refused to do owo, so on with the overcoat for a bj which felt as if my dck was going through a mincer. she would only let me play with her tits, kept her legs firmly together so I couldn't touch her pussy. Newver got my cock in her as I decided to cut to the chase and wanked myself to stop her playing with my cock. Asked to cum on her tits and was told 'no, I've just showered', so just shot it over the bed. Most unsatisfactory punt.
