The Premises:

Samanthas was relatively easy to find but further up Palantine rd than i was expecting so took a little longer. entrance is descreeet being off the car park around the back of a block of converted houses. Did not feel out of place.
rooms are a little tired could do with some tlc. but guess it difficult when they are in constant use?

The Lady:

two ladies on offer as one was busy and i had not booked. Both were brought into the waiting area and i chose Tara. Leggy brunette with dark duky eyes. Well presented in v sexy lingerie - classy. I was then quickly shown to the room by the receptionist and took a shower.
tara has a very nice figure but small breasts, fab legs and arse. lovely sallow smooth skin(does not bother me as i am a legs n arse man, but may for others?)

The Story:

weagreed kissing (although she does not french kiss - so a bit of a let down for me) 69 OWO.
good performer nice massage with general chit chat. sex in mish and doggy with plenty or oral in between.

lack of kissing was a negative for me though
