The Premises:

Bunch of flats off Westmoreland Road. Easy to find. The flat is nicely kept if not a bit on the basic side.

The Lady:

Average height Thai lady, late 20's/early 30's. Ok face, great body, enhanced breasts (to a D cup, I think). I think she's their poster girl, coz she's normally busy most of the time. She goes by the name of Sonya on that "other" site.

The Story:

She was pretty chirpy when she greeted me in and, after dealing with paperwork, we got straight to it. Started with a nice massage then onto OWO which was average to say the least. But she made up for it with some good "exercise" as they like to call it, atho, she didn't let me finger her coz she said "she cum quick". But the "exercise" was good.

I had a back bad on the day, so, after finishing, she gave me a crazy Thai massage unlike any I've ever had!! Dunno, what or how she did it but I feel great now. Forget physio's! Get her!!

Overall good punt, good friendly and attractive lady.
