The Lady:

Lisa must be about 30-35 very slim, a nice looking lady, very nice body and tight lickable pussy.

The Story:

I made an appointment with her by phone, she asked me what I would like her to wear. I said anything black turns me on. I knocked on the door and she came to the door dressed in black Knickers, bra and stockings, I had a hard on as soon as I saw her. We first got undressed and had a good session of kissing with my fingers up her pussy. She sucked my cock for ages that was nice. I then had a good lick at her sweet pussy which tasted so good. We had sex in mish till I came. This girl loves sex and how to please a man, I will return soon.
