The Story:

Lvely time from the first moment I set eyes on Lucy and she greeted me with a kiss on the lips. So easy to be at ease with, this set the tone for the whole affair.

We did what we wanted and complimented each other throughout without it sounding false.

Lots of cuddles, kisses, fondles and oral before good and satisfying sex.

Hardly ever did the chat stop and I really enjoyed a meet that was arranged very quickly - I was yards from the flat when I first spoke to her and walked straight into the flat still on the phone.

Really good time.
