The Premises:

Decent enough ground floor flat nice place with very good helpful receptionist.

The Lady:

This girl is an absolute Brazilian bombshell that you only see on documentaries on the TV attracting you to Brazil!! She would make anyones arm look great if she is on it what a stunner with a personality to match!!!

The Story:

Well Holly has got me eating out of her..... hands!! She knows what she is doing and she does not need any prompting either. Any position you wish, Mish, Doggy, Cow Girl, legs over head she wont act surprised at all and she does it with a smile. Her OWO was great and deep FK even better. Show her some respect gents she is a one off and my first ever punt at the famous HOD empire actually but i've been reading many reviews. And ad Arny says I'll be back even if it is over 90 miles!!
