The Story:

came out the rain to a very clean dry warm ground floor apartment, had a clean up and quick shower, then robed up , to join the guests and ladies in the main room, the show soon started with ella lying down on the table and being poured over with cream and fruit for us guys to lick and nibble off her , fantastic, at the same time ella was being licked out by a guy and a cock down her throat , both tits in another guys mouth and i was getting tugged while also rubbing her tits , cannot get better..soon downstairs to the main beds , where met by barbra in a blue lacy underwear and silky top rubbed up against me she started to handle the goods and deep throated my hard cock all the way down as I was about to shoot my load into her mouth , she stopped and ordered me to do her doogy style over the bed wear monika was sucking a guy of with her ass in the air , as I was pounding babrbra I was playing with the lovely monikas soft wet pussy, soon after I just had to cum all over babaras lovely ass , oh yes... this guys really happend .

Short break , then with jessica, perfect tight round shapped tits and perfect ass in a red thong in high heels , omg, rock hard again , just bent her over and got in there , she would be my ideal girl freind, soon had her legs in the air and over her shoulders deep into her and making her moan with pleasure, as I exploded once more, excellent, ella was getting non stop action and all the rest off the girls, alot went in the two hours we had , and I must say that the ladies are star performers of this party...unlike some other partys I checked out where the girls are just not that into it or burning up time with breaks,,,lady em partys are a must and I highly recomend them.

Just a taste is what I have put up here.
