### The Premises:

Crystal's house was spotlessly clean and pleasantly decorated. It was easy to find in a quiet cul de sac on a housing estate. Parking nearby was easy and I felt very safe.

### The Lady:

Crystal, who called herself Mz Jaye on her contact site, is a beautiful afro-carribean lady. She is of medium height with a very curvaceous figure. She was dressed in a basque, panties and stockings and wore small high-heeled boots.

### The Story:

I wanted to be dominated but not have a heavy session of physical abuse and she carried this out perfectly. At first I had to photograph her in a variety of poses, including standing of me. I really enjoyed worshipping her lovely body and having her sit on my face. She also used a strap-on on me. Altogether I had a wonderful time and look forward to serving her again.
