Tall, elegant and wrapped in lingerie. Lovely.

The Story:

Very, very nice. A very tall, slim Sri Lankan lady. Perfect legs and bum. The rest of the package isn't bad either! We talked and found we had a lot in common.

Then down to the action. This lady is intelligent, sensitive and caring - and it shows in her lovemaking. She's spicy too - which also shows! I had a great time, and I do believe she enjoyed herself too. I don't like going into detail, but she knows how to use her mouth and tongue to great effect. I hope I did, too! We went well over time, and never a glance at her watch.

I can't wait for the next lesson in massage.....
