The Premises:

Her place is located away from the busy areas and in a quiet private and very nice part! I was quite surprised as didnt know that part of Woolwich Arsenal at all, right by the river, modern, clean and safe secure apartment. I was very impressed!

The Lady:

Her pictures are accurate though I didnt read her height prior to meeting her, but upon checking her page again it is very accurate (5ft3). She is "curvy" but not large, pleasant and welcome.

The Story:

I wont go into to graphic detail lol but i will say that she did everything i was after! She is very open minded and genuinely enjoys meeting people. This is obvious by her cheerful and bubbly nature upon my arrival, was welcomed in, offered a drink and had a good relaxing, flirtatious chat and giggles between us! When it came down to getting naughty she gives amazing head and allowed me to penetrate front and back! She seemed to enjoy it and was very eager to please, there was no clockwatching and nothing felt rushed, I left with a huge smile and wobbly knees! lol Will be back again soon after a good recharge and likely for a longer session!!
