The Premises:

The location was easy to find and like new. I felt very safe if a little hot.

The Lady:

Beautiful european woman, gorgeous long black hair. All over tan with tattoos on back. Everyone's taste is different but she dresses to impress and was physically perfect for me.

The Story:

As my first foray into the world of escort girls I picked a perfect companion. I walked through the door into a full on french kiss, and she knows how to kiss. She is natural, sexy, full of energy, confident and so much fun to be with (I was amazed by her confidence, energy and passion). She made me feel completely at ease.

We tried many positions, wonderful oral sex, 69, both taking turns to be on top, rolling around on the bed having a laugh. She made me feel wonderful, thank you Claudia.

Did I enjoy it... yes, honestly, best ?140 I've ever spent.

Would I see her again? I will definitely see her again, and for longer.

I was too busy tonight but really wanted to see her again today...
