The Premises:

This place has many reports and remains one of the most effective establishments in the business.

The Lady:

Mie is an absolutely lovely Thai lady. She has a very sunny demeanor and is very professional. She entered the room in very sexy stockings and I knew this was going to be good.

The Story:

We kissed and hugged as I slowly released her wonderful form from the lovely underwear and started paying attention to the more intimate elements of her lovely figure. She responded with some enthusiasm to my efforts. If she was acting she should do so professionally. If you are seeking a girl who really knows her job and does that little extra for your enjoyment, Mei is well worth a visit. Our meeting was very sexy and very intimate.
