The Story:

This is a difficult one. Aside from a screw-up over time (hers), the meet and greet was fine...except she wasn't dressed the way I had asked, she clearly hadn't made a real effort to be tidy and cut the time down. The website pictures overplay her hand. She's feisty, fun and sexy in a slim, dancer kind of way. Overall she would suit many but I can't say I'll be back.
