The Story:

I was shown into a nice room by the very friendly maid and after a couple of minutes both girls came in and introduced themselves. I chose Bella as she had the nicest smile. She was dressed in red bra & panties, with suspenders and stockings. After paying the money Bella slipped off her bra and started a back massage. She was very chatty and friendly. After a short while Bella asked if I would like to turn over, I certainly did!!! Bella played with my cock really well, as I fondled her lovely big breasts. She brought me to completion in expert fashion.
